MEDC, AGC, AND OTHER BUSINESS LEADERS JOIN ADVANCE MISSISSIPPI

Jackson, Miss/July 28, 2009 – Leading businesses and organizations from around the state continue to join Advance Mississippi to participate in the discussion about the state's energy future.

Advance Mississippi, a coalition committed to sound energy policy whose membership ranges from individuals to statewide business leaders, has gained several members since its launch in June of this year.

"We are delighted to have these new members to contribute to the ongoing discussion toward advocating energy solutions that will benefit Mississippians and fuel economic growth," said Advance Mississippi Chairman Glenn McCullough, Jr.

Members who have joined Advance Mississippi since the launch include:

Associated General Contractors of Mississippi
Greater Jackson Chamber Partnership
Laws Construction
Mid State Construction
Mississippi Economic Development Council
Mississippi Technology Alliance
